Ontario Stroke Evaluation Report 2014: On Target for Stroke Prevention and Care. Supplement: Ontario Stroke Report Cards

Posted on November 25, 2014 at <http://www.ices.on.ca/~media/Files/Atlases-Reports/2014/Stroke-Evaluation-Report/Report-Cards.ashx>

On page 3, footnote 2, there is an error in one of the key OSN targets.

Original:

Community reintegration: Reduce long-term care admissions to 3.2% of patients one year after stroke.

Corrected:

Community reintegration: Reduce long-term care admissions to 3.75% of patients one year after stroke.
