

## **Institute for Clinical Evaluative Sciences (ICES) Statement of Commitment to Accessibility**

The Institute for Clinical Evaluative Sciences (“**ICES**”) is committed to treating all individuals in a way that allows them to maintain their dignity and independence. ICES believes in integration, equal opportunity, and access to participation for persons with disabilities. We are committed to meeting all reasonable accessibility needs and requests in a timely manner. We will do so by ensuring compliance with Ontario’s accessibility laws and by identifying, preventing and removing barriers to accessibility.
